B- To be honest, I don't watch it.

C- They died years ago while watching TV.

D- They think that the show is real.

Interviewer: Hello everybody! Welcome to our show. Today I have a special guest. Here is the phenomenon Youtuber, Resho.

Resho: Thank you so much. You are so kind.

Interviewer: My pleasure. We'll talk about your TV habits. Let me ask you first question. How often do you watch TV in a day?

Resho: I can't tell you exactly, but I think I spend one or two hours a day.

Interviewer: Really! So, what do you think about the TV shows at TV?

Resho: In my opinion, most of them are nonsense. They are all about lies, fake lives and violence. I know some people watch these programmes ten hours a day. I think these people are dead. I'm not joking. 1- _ _ _ _ _.

Interviewer: Well. That is interesting. Can you tell me some examples about these shows?

Resho: Of course. Let's talk about reality shows. People sit in front of TV in the morning to watch Survivor until midnight. 2- _ _ _ _ _ . They think that the people in the show are really hungry. They spend their money to send SMS to support their candidates. Can you believe that? They are absolutely crazy.

Interviewer: I have nothing to say. Your are right. What about soap operas?

Resho: Soap operas!!! Haaa haaaa.

Interviewer: What happened? Why are you laughing?

Resho: Soap operas are nonsense, too. They are all fake and contain violence, horror and bad behaviours. People watch them so often that they can't live in a real world.

Interviewer: I see. It is absolutely right. But, what are you watching on TV?

Resho: 3- _ _ _ _ _ . If I have to, I watch some theatre shows like Güldür Güldür or ÇGHB. They are so fun. Also, I try not to miss some quiz shows. I find them educative.

Interviewer: What about addiction? What should we do not to be an addict?

Resho: It is so simple. If you have a lot of free time, then, you may be an couch potato. Because, if you have so much time and do nothing, you are going to watch TV more. So, people should do something all the time. We need to work, study, read or meet friends. Talking to our friends face to face is always better than TVs or smartphones.

Interviewer: 4- _ _ _ _ _ .

Resho: Don't mention it. See you again.
