SENARYO 2

Learning Outcome: E5.5.R1. Students will be able to understand short and simple texts about illnesses, needs and feelings.

1. Read the conversation below and fill in the form with the correct information.

Doctor: What is wrong with you?

Molly: I feel very tired and bad.

Doctor: Do you have a runny nose?

Molly: Yes, madam, and I have a cough.

Doctor: Hmm, I see. You have a cold.

Molly: Can I go to work today?

Doctor: I am sorry, but you can't. You should take these pills and have a rest at home for two days.

Molly: Thank you, Mrs. Writer.

Doctor: You're welcome. Get well soon.

SENARYO 2

Learning Outcome: E5.7.R1. Students will be able to understand short texts with visual aids, such as cartoons, posters and birthday cards.

2. Read the conversation below and complete the note card.

Bruno: Let's throw a costume party and have some fun at the weekend.

Melly: Great idea! Where are we organising the party?

Bruno: In our garden. Let's check our needs for the party.

Melly: Well, we have some food and beverages, but we should buy some party hats and balloons for decoration.

Bruno: We don't need any balloons because I have a lot of balloons in my room. Anything else?

Melly: Oh, we must buy a big chocolate cake. What about a clown?

Bruno: I don't think we need a clown, but we should bring some music CDs.

Melly: Well, costumes, of course.
