Answer the questions (8-10) according to the text below.

Hi I'm Mehmet. I'm from Erzurum but I live in Adana with my family. Adana is in the south of the country but my hometown is in the north. In summer, Adana is usually hot and sunny and the temperature is usually between 30°C and 40°C. But I don't like hot weather and I spend my holidays in my hometown. In winters, I feel moody because it is usually rainy and windy in Adana. In summer, it is warm in Erzurum, the temperature is usually between 20°C and 25°C. In winter, it is usually snowy and cold in my hometown. I think Erzurum is more enjoyable in winter. I feel better and happier because I can play snowball and make a snowman there.

8. Which of the following is CORRECT about the text?

- A) Mehmet's hometown is Adana.
- B) Mehmet usually feels upset in winters in Adana.
- C) In summer, Erzurum is hotter than Adana.
