Answer the questions (3-4) according to the text below.

Hi, I am Walter. I love going camping with my friends at weekends in summers. There are a lot of great camping sites around my city. Before going camping, we take all necessary equipments like a rope, sleeping bags, pocketknives and torches. Everybody has a duty when we are at the camp. We pitch our tents. Collecting some wood and burning the campfire are my responsibilities. Robert and Eric prepare the meals and wash the dishes. We do different activities at the camp. We sometimes swim, go fishing or go trekking. I would rather go fishing than go trekking because trekking is really tiring and difficult. At nights, Eric tells us jokes and makes us laugh. We sing songs all together around the campfire. I really like being with my friends and spending time with them.
