5.  A mobile phone is like a toy for me. I listen to music, play games, surf on the Net and use social media networks with my mobile phone.

Atilla

 I read the newspapers, do online shopping with my mobile phone. I can't do without it because I don't have a PC.

Cenk

Jane

I usually spend my time chatting with my friends and watching movies on my mobile phone.

 I'm a student and I don't live in the same city with my family. I use my phone just to communicate with my family and friends.

Nancy

How many of them use their mobile phones only to keep in touch with others?

A) 1

B) 2

C) 3

D) 4

Answer the questions (6-7) according to the text below.

According to a research, people spend most of their free time by using their mobile phones. The research gives information about the teens between 13 -18. It says 50 % of the adults and 75% of the teens are busy with their mobile phones during the day. At the weekends or when the people are on holiday, the rates are higher. There are interesting differences between the girls and the boys. 55% of the girls use their mobile phones to chat with their friends and the rest of them use them for social media networks. But, the 70 % of the boys spend most of their time by playing online games and 30% prefer listening to music in their free time. 55% of the boys and 70% of the girls do not prefer talking face to face and they usually send short messages to communicate with their friends.

6. Which of the followings questions does NOT have an answer in the text?

- A) What percentage of the the adults is busy with mobile phones during the day?
- B) What percentage of the boys spend their time by playing games on mobile phones?
- C) What percentage of the girls prefer talking face to face?
- D) What percentage of the girls spend their time by listening to music?

7. Which of the followings is CORRECT according to the research above?

- A) The boys use their mobile phones only to play online games.
- B) The boys use mobile phones to listen to music more than the girls do.
- C) People spend more time with their mobile phones when they are at work or school.
- D) Most of the girls do not prefer talking face to face with their friends.

Answer the questions (8-9) according to passage below.

How important are mobile phones and do we really need them? There were no mobile phones in 80s but people could phone their family and friends. There were more public phones then. In 80s there was a telephone booth on every street corner. Are mobile phones good or bad. Mobile phones are useful but they make us angry easily. We see people on a date one person chats on the phone for 30 minutes and the other is waiting. It makes us think how would life change if we didn't have a mobile? Would we miss listening to other people's conversations on the train?

8. One could find a public phone - - - .

- A) on the street corners
- B) in every company
- C) in every house
- D) on the train

9. How did our lives change with mobile phones?

- A) Mobile phones were everywhere in 1980s.
- B) It has not changed at all.
- C) The life is the same as it was in the 1980s.
- D) We can make calls everywhere we want.
